

Mid-South Machine and Maintenance Inc.

Specializing In:

- Machine Shop
- Fabrication
- Special Machines
- Millwright Services
- Control Wiring
- Electric & Control Installation

Mid-South Machine and Maintenance Inc. is a full service machine shop with highly skilled and experienced employees. We are the most versatile job shop in Murfreesboro, Tennessee and we will ship anywhere in the country. (We have our own Trucks, and with Federal Express, UPS and RPS, we are only a half-day away!)

Any quantity, any material: We have the equipment and the know-how to handle prototype work, short runs, and even large production runs. We will machine Carbon and Structural Steel, Alloy Steel, Stainless Steel, Aluminum, Brass, Bronze, Castings, Cast Iron, and any other metal, Plastics, Phenolic, Neoprene, you name it!
